# UboomerU.com Founder Attends All-Star Night at the Playboy Mansion

**Judy Myers, Age 68, Internet CEO and Media Mogul Looks Thirty Years Younger as she parties with Playmates Thursday, June 21st.**

*June 25, 2007 Los Angeles, California* Judy Myers, anti-aging expert, bodybuilding and fitness champion, current **Buick Invitational Long Drive Golf Champion**, considered to be one of the greatest female athletes of her generation, and VIP guest at the Playboy Mansion, proves that age is only a number. Stunning at 68, she says she owes it all to her own regime outlined in her best selling book, "**Stop Aging the Lazy Way.**"

Ms. Myers, Founder and CEO of a new social networking site, [www.uboomeru.com](http://www.uboomeru.com), where you can "vlog, blog, post, link and buy", and describes it as "My Space, meets YouTube, meets E-Bay", recently launched March 14, 2007, is getting ready to have a grand opening in September

Myers was featured at this event hosted by **Rodney Peete** and attended by over **200 athletes, celebrities and Playmates. All Star Night At The Mansion** was one of the biggest and most anticipated events of the year.

Myers, in addition to being the brand for her site, reaching demographics of pre, present and post Baby Boomers targeting ages 35-65, even skewing to younger demographics, was the guest of **Charles Caudle, Chairman of Go Healthy, Inc and Stu Evey, former Chairman of ESPN**. They are involved in the distribution of a new cholesterol lowering energy drink, Cholesterade, created by Dr. J. Robert Cade - inventor of Gatorade.
